Beauty and Joy of Computing 2018-2019 Pacing Guide
for First-Year BJC Teachers

This Pacing Guide assumes:
- 45 minutes in a class period (for different schedules, see minutes per lab listed in Teacher Guide)
- No coverage of Units 7 or 8 until after the May Exam
- No in-class coverage of pages marked with asterisks in the Teacher Guide (those "safest to skip") or of Optional Projects
- Week after April break left for exam preparation
- Classes do not take the maximum amount of time for every unit.
